THE ELECTED SHERIFF / SHERIFF CANDIDATE PLEDGE

THE CONSTITUTIONAL DEFENSE COMPACT
Pre-Ratification Enforcement Endorsement
I, _____, do hereby solemnly swear and execute this binding pledge to the citizens of _____ County as an active [ ] Elected County Sheriff / [ ] Candidate for County Sheriff.
THE SACRED OATH TO UPHOLD THE PATH TO RATIFICATION:
I swear an unyielding oath that the constitutional rights of individual human citizens are the supreme law of this county, and my primary operational duty is to protect those boundaries from any and all overreach by centralized administrative managers or unvoted federal agencies attempting to suppress the citizens' lawful right to reform their government.
Therefore, I pledge my signature to endorse and support the constitutional track of The Reconstitution as the definitive framework to secure our borders and homes. I explicitly pledge that I will defend the local citizens' right to freely assemble, distribute the text, and petition their state legislators to sign the Article V Ratification Compact without hindrance or political surveillance.
Furthermore, I recognize that upon the successful 38-state ratification of The Reconstitution, the role of my office will legally shift to enforcing its hardcoded provisions—including the absolute preservation of bodily sovereignty, the complete demilitarization of municipal police forces, and the protection of the sovereign homestead from unlawful seizure or foreclosure. I stand with the citizens in demanding this structural code upgrade to permanently secure our republic.
THE DIRECT PENALTY FOR BAD FAITH:
If I break this constitutional oath to satisfy a corporate interest, federal grant pipeline, or political party directive to suppress this movement, I strip myself of all qualified immunity shields. I agree to stand personally liable before a randomized Common-Law Citizen Juries of 12 neighbors to face immediate removal from office, criminal prosecution, and total personal asset liquidation.
